Hereby certifies that all facts, figures, and representations made in this plan are true, correct, and consistent with the statement of assurances. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on the Parent and Family Engagement Program. All records necessary to substantiate these requirements will be available for review by appropriate District, State and Federal staff for a minimum of five (5) years. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project and will not be used for matching funds on this or any special project, where prohibited. The school will adhere to the plan of action for parent and family engagement activities throughout the academic year and will ensure its transparency of efforts by providing communication to parents and families in multiple languages, flexible meeting times, needs-based workshops, and accommodations to parents and families with special needs. Additionally, the school will disseminate this document in multiple languages and make it accessible by making it available on our school's website. The school will also ensure that its PFEP is aligned to the School Improvement Plan (SIP) for the current school year.
